**1. ODYSSEY OF THE WEST VI**

**A Classic Education through the Great Books: The Twentieth Century**  
Professor Timothy B. Shutt, Series Ed.  
KENYON COLLEGE

The Odyssey of the West series, a grand exploration of art, literature, revolutionary theories, and intellectual progress through the ages, concludes with a fascinating look at the twentieth century. Series editor and esteemed university professor Timothy B. Shutt is joined by contributing lecturers for a lively discussion of the major works and strains of thought that ushered in the modern age. A fitting capstone for this comprehensive series, this sixth and final installment imparts a learned understanding of the forces that shaped—and continue to shape—Western culture.

**2. SHAKESPEARE**

**Ten Great Comedies**  
Professor Raphael Shargel  
PROVIDENCE COLLEGE

Professor Raphael Shargel channels his passion for teaching and expertise as a Shakespearean scholar into this illuminative study of the Immortal Bard's ten great comedies. Shakespeare's genius is as readily apparent in these comedies as in his timeless tragedies. Often marked by internal and external conflicts, young lovers struggling for union, mistaken identities, and intertwining plots, Shakespeare's comedies to this day reveal the master's unparalleled insight into the human condition. With its fresh take on some of Shakespeare's most cherished and widely seen works, these exciting lectures provide invaluable understanding of these exquisite comedies.

**3. A HISTORY OF ANCIENT SPARTA**

**Valor, Virtue, and Devotion in the Greek Golden Age**  
Professor Timothy B. Shutt  
KENYON COLLEGE

Professor Timothy B. Shutt examines the history and culture of ancient Sparta, a society renowned for military excellence and adherence to the values of courage, discipline, duty, and the overcoming of fear. Vastly outnumbered at the Battle of Thermopylae, the Spartan "300" held off an overwhelming Persian force before finally succumbing—but not without inflicting massive casualties and inspiring the rest of the Greeks with the notion that they could persevere. In this enlightening series of lectures, Professor Shutt delves into Spartan culture, examining its origins, government, religion, and the major events that defined its history.

**4. THE MEDIEVAL WORLD I**

**Kingdoms, Empires, and War**  
Professor Thomas F. Madden  
SAINT LOUIS UNIVERSITY

An award-winning, widely recognized expert on pre-modern history, Professor Thomas F. Madden launches the first of a two-part series on the medieval world. This all-encompassing investigation of a highly influential time period includes the major events of the era and informative discussion of empire, the papacy, the Crusades, and the fall of Constantinople. During the course of these lectures, Professor Madden also addresses the rise of Islam, reform movements, and schisms in the church. In so doing, Professor Madden underscores the significance and grand scale of an age that continues to hold an undeniable fascination for people today.
